### Mandatory details for certificates and training organization

- **An EWA title** can only be used on a certificate together with an EWA seal.
- **A training hour** has 60 minutes. Brakes longer than 30 minutes are not counted as training time.
- **A training group** has at least 6 members (counted without assistants or "Enneagram Master Trainer, EWA").
- **EWA sealed certificates** (sticker with the EWA logo and a unique seal number) are for EWA trainings that have been conducted at least 80% of the time by an approved "Enneagram Master Trainer, EWA". The remaining up to 20% of the training can be conducted by another highly qualified person under the supervision of an "Enneagram Master Trainer, EWA".
- **Optional interactive online Training:** All "Enneagram Master Trainer, EWA" may use **online interactive** training (e.g., Zoom with breakout groups) as long as they specifically write the number of days and hours that were online in the text of the certificate.
- **Optional online non-interactive training hours** (asynchronous training), up to 20% of course hours, are only allowed for Master Trainers who have received a written approval from our online commission. ### Optional Details

- In addition to our standard qualifications, it is possible to create and use a special new qualification with the written approval of the EWA Training Commission. Such trainings are listed in the curricula area under approved qualifications. The participants of such trainings with a sealed certificate can also apply for a free-of-cost membership forever. You can find such curricula under approved qualifications here: [www.enneagram-ewa.net/about/approved-qualifications](http://www.enneagram-ewa.net/about/approved-qualifications)  
The title and content of an approved qualification should not look like it is of a lower standard than a qualification from our standard qualifications. The number of hours and days, as well as required entrance qualifications, need to be stated clearly.
- In addition to the already existing standard qualifications, the following related qualifications: Life, Business, Executive, Sport, Health, systemic (e.g., "Basic Enneagram Life Skills, EWA", "Enneagram Business Expert, EWA", "Enneagram Sports Master, EWA", "Enneagram Health Trainer, EWA") can be used.
- With more than 10 participants, it is highly recommended to involve an assistant who must be qualified at least at the level of the relevant training qualification.
- We recommend individual or group supervision, buddies, peer coaching, and intervention.
- Training content for the qualification: We highly recommend to list the complete trained main content and the complete amount of training hours and days that is needed for the certified qualification on the backside of the certificate or on a separate signed document.
- Entry Requirements with not EWA sealed certificates: Certificates with a comparable amount of face-to-face training from an Enneagram Trainer with a comparable qualification background as an "Enneagram Master Trainer, EWA" can be accepted as an entry requirement as well. In case of any ambiguity or uncertainties, please contact the EWA President in charge or the EWA office.
- To state the academic value of an EWA sealed certificate, the following statement can be used: "Because of the high quality of this training, it may be recognized as ECTS credit points in academic studies in psychology with a focus on Enneagram."

### Sealing certificates

Only those "Enneagram Master Trainer, EWA" listed under the following link have the right to seal certificates according to our high ethics and quality standards: [www.enneagram-ewa.net/users/all/mastertrainer](http://www.enneagram-ewa.net/users/all/mastertrainer)

They can order seals in their login area. The options for certificates are:

1. our wonderful designed online certificate (you find for this a video in your login area)
2. jpg or png seals that you can print on your own certificates
3. physical seals (the old and most inconvenient time-consuming way by snail mail)

A seal costs 15 €. Every EWA seal consists of the EWA logo with a unique number.

We highly recommend online seals and certificates.

### Free membership with a sealed certificate

We highly recommend that you motivate your training participants to become a member for free. No admission fee and no yearly membership fee forever. Really totally free of cost. Registration has many advantages. First of all, it supports your marketing when members who come from you are listed in your profile. The benefits for the participants are listed here: [www.enneagram-ewa.net/about/benefits](http://www.enneagram-ewa.net/about/benefits)

Your participants can register one by one at [www.enneagram-ewa.net/application](http://www.enneagram-ewa.net/application)

This application process is time-consuming for your participants and requires them to upload their certificate for validation. Therefore, we recommend a more easily approach to register all of your participants at once without the need to upload individual certificates. It's quick and easy.

### There are 2 methods to register all of your participants in one step:

**Method A:** Let your participants register with a simple magic link when you hand out the sealed certificates directly at the end of your training.

**Method B:** Group Registration per E-Mail some days after the end of a training.
